FIG. 5F is a perspective view of a structure 300. The structure 300 includes a base 320 and a top layer 324. The top layer 324 is divided into a central region 310 and two side regions 330. The central region 310 is further divided into two sub-regions 310. The side regions 330 are located on the left and right sides of the central region 310. The base 320 is located below the top layer 324. The structure 300 is shown in a perspective view.
